From Easter to Pentecost - Home Group/Personal Study Notes

For this series we are again producing notes on the same theme as the Sunday sermons. They are designed for group discussion at Home Groups and also for personal reflection and bible study. They can also be found each week on the website, hopefully with a recording of the sermon.

Woking Foodbank

The food bank requires jars of coffee, tooth brushes, men's and women's toiletries, and tins of peas and carrots.

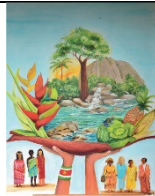

They do not require tins of soup, beans or cereals.

Please continue to pray for the recipients of the food banks.

Woman's World Day of Prayer

Having been postponed because of the snow, the service will now take place at KBC on Friday 11th May at 10.45am. It has been prepared by the women of Suriname and the theme is "All God's Creation is very Good". The speaker will be Rev Jean Robinson. (Hopefully it won't snow this time!)

Church Anniversary 2018

As in recent years, our anniversary celebration in 2018 will be in two parts:

For Part I (Sunday 29th April) of our Anniversary we have a guest speaker. This year the speaker will be Rev Ruth Rice from Renew Wellbeing, an organisation that helps churches around the country to develop community spaces of welcome and inclusion to promote mental health and wellbeing. Please have a look at their website: www.renewwellbeing.org.uk.

Part II (Sunday 6th May) of our Anniversary will be a Worship & Focus service including our Annual Renewal of Covenant and Communion and will be followed by a church lunch.

Manse Group

We will be meeting again at the Manse from Thursday 19th April at 7.30 pm when we will be starting a new series of studies.

Brigitte Trust

Sadly most of us are touched by cancer – it can be a family member, a friend or business colleague and the news can be devastating. The Brigitte Trust offers a free volunteer service of emotional support and practical help in the home when cancer, Motor Neurone Disease or other life-threatening illness has been diagnosed. Practical issues like driving, shopping and getting to hospital for treatment can sometimes be hard to manage, and their volunteers, who are fully DBS checked, can help. Complementing the work of the medical teams the Trust offers a volunteer who will visit weekly and build up a relationship with patient and carer, offering company and time to listen.

Their next free volunteer taster sessions take place in June and July for September training and they are particularly keen to reach out local volunteers. Please call Ingrid walker on 01306 881816 for more information, or visit their website: www.brigitte-trust.org
