Baptist Union Prayer Diary – Week August 4

This week we pray for the work of the Joint Public Issues Team, who encourage us to think about what it means to be a Christian in the midst of our changing world and offer resources on how we can live prophetically in a time of political turbulence, social upheaval and climate change.

August 18

As many young people receive their exam results over these weeks, please pray for them, for God's guidance as they decide what to do next. A prayer for results day: Father God, may your presence be felt as young people receive exam results today. May they know their worth and value is not based on academic achievement but on your great love for us. Help them to trust in your goodness, fix their eyes firmly on you and guide their steps along the path before them. Amen
